## The People REJECT Autocrat's Sidekick!

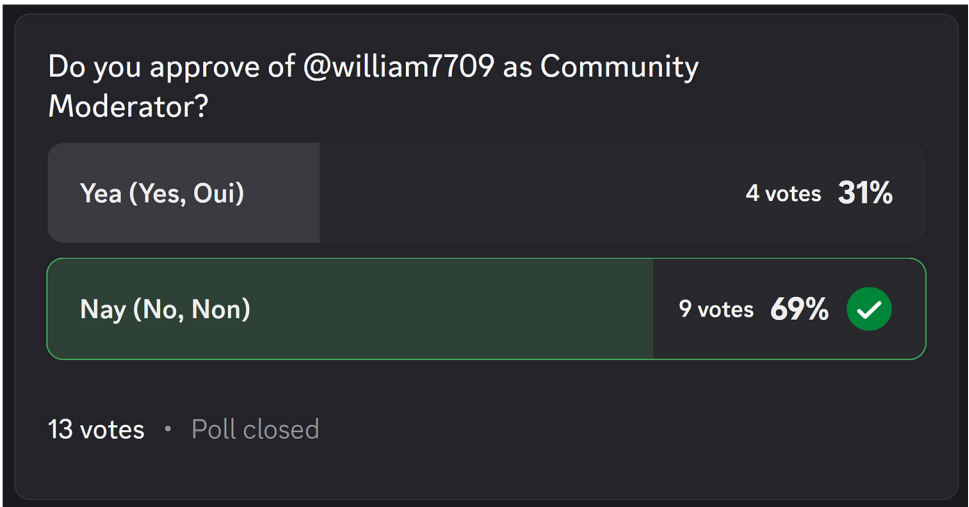

HOMEWORKSMP (AP) – The bourgeois waitwhatActo regime's DELUSIONS of eternal reign have been OBLITERATED after a LANDSLIDE DEFEAT in a recent serverwide election that left the once-untouchable establishment CHOKING on the DUST of its own hubris.

The election, held from October 2nd to the 5th, was called by His Most Serene, Illustrious, Eternal, Immortal, Unquestionable, Indivisible, Glorious, Magnificent, Excellent, Omnipotent, All-Benevolent-yet-Terrifying, Supreme Commander of the People, Guardian of the Server, Bringer of Prosperity, Vanquisher of Enemies Seen and Unseen, Patron of Science, Arts, Agriculture, Industry, and the Occasional Pride Parade, Sole Arbiter of Truth and Justice, Sun of the New Age, Moon of the Midnight Hour, Uniter of Heaven and Earth, Defender of the Faith, Father of Fathers, Brother of Brothers, Lover of the Masses, Eternal President-for-Life of All Lands, Seas, Skies, and Anything Else Worth Owning waitwhatActo after he invoked Section 7 of the Constitution in a DESPERATE last-ditch power grab attempt disguised as constitutional order.

The election sought to gain the people's approval to install william7709, a long time ally of the dictator and who many believe are engaged in UNSPEAKABLY DESPICABLE acts of CORRUPTION with the autocrat, as a Community Moderator, an obvious euphemism for what is essentially a loyal lapdog of the bourgeois regime.

Luckily, the brave people of HomeworkSMP, clearly having had ENOUGH of the strongman's antics, UNITED as one at the ballot to say "NO" to the tyrant Acto's inevitable camarilla. With that, the election ended in a HUMILATING, LANDSLIDE DEFEAT for the bourgeois regime with an impressive 69% of all votes declaring that they DID NOT APPROVE of the installation of a pro-regime lackey.

"(. . .) he (Acto) wants us to think that William is a good fit for moderator and sure he would be if there wasn't the risk of

The election had a turnout rate of 54.16% with 69% voting "Nay" to disapprove of the installation of the stooge and 31% voting "Yea" to approve the installation.

corruption between the both of them (. . .) and obviously who trusts a French speaker, NOT ME," said Ridgeway+, a staunch critic of the regime, perfectly capturing the sentiment shared by many people.

When asked what she thought of the 31% of poor, misguided souls that voted to approve the installation of the stooge, Ridgeway had the following to say, "Look, people are entitled to their own proclivities (. . .) but I ain't spending any time on it because in the meantime, a person is robbed or shot in Chicago every 5 minutes," suggesting that some people are unfortunately too far gone down the pro-regime pipeline and that there are more pressing issues, such as the serious crime rate in some places, to deal with. Finally, she had a message for the despot Acto from Moey from Bankstown, "Fuck you brother."

This was not merely a simple election, it is the beginning of the exorcism of tyranny itself, and the message is clear: no throne is eternal, no tyrant is untouchable, for even the most ruthless, most tyrannical, most wicked despot shall be ANNIHILATED when it comes face to face with the full force of the PEOPLE'S MIGHT AND FURY.
